RE: Mrs. Earlie Mae Harper

Dear Mayor Campbell:

Please let this letter serve as notice that Ms. Earlie Mae Harper has contacted our office as a result of the treatment that she has been afforded by the City of Atlanta's social action committee.

Ms. Harper resides at 2831 Marco Drive in Atlanta, beside Proctor Creek. The overflow from Proctor Creek is and has been eroding Ms. Harper's yard. In August of 2000, Mr. Peter Ayendi visited Ms. Harper, acknowledged that there was a problem, and assured her that the problem would be promptly corrected. As of to date, this problem has not been corrected and Mrs. Harper has had no further contact from your office regarding this problem. Ms. Harper is an eighty-five (85) year old woman who contacted your office for help and received no resolution to this problem.

Mrs. Harper is highly disgusted and frustrated with your office and has asked our office to contact channels eleven (11), five (5), and two (2) and make them aware that when senior citizens of the City of Atlanta cry out for help, such help falls upon deaf ears.

On June 7, 2001, my legal assistant, Deborah Brown, contacted your office and learned that Ms. Angela Morgan took the initial call.

Please have Mr. Ayendi or another project manager contact our office in regards to this problem.

Sincerely,

Victor Alan McLemore
